

## Changes to the Johns Hopkins Advantage MD (PPO) Formulary

**Please retain this with your formulary.**

Changes may have occurred since the printing of the Johns Hopkins Advantage MD (PPO) formulary. Medications added or removed from the formulary are listed below.

This is not a complete list of all formulary drugs covered by the plan. For a complete listing, or if you need additional information about the Johns Hopkins Advantage MD (PPO) formulary, please view our website at [www.hopkinsmedicare.com](http://www.hopkinsmedicare.com) or call Customer Service at 1-877-293-5325 (TTY: 711), 24 hours a day, seven days a week.

If you are a current member already taking the below drug(s) before the effective date of the change, we will continue to cover the drug for the remainder of the plan year as long as the drug continues to be medically necessary for treating your condition and prescribed for you by your prescriber, and was not removed for safety reasons.

**The table below outlines changes to our formulary that may impact you.**
