Section I – Introduction

This directory provides a list of Johns Hopkins Advantage MD (HMO), Johns Hopkins Advantage MD D-SNP (HMO D-SNP), and Johns Hopkins Advantage MD Tribute (HMO) network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. You will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP. If the health care services you need are outside of your PCP's scope of practice, your PCP will coordinate a referral to a network specialist listed in this directory. Please refer to your Evidence of Coverage for more information on the types of services that require a referral from your PCP.

You must use network providers except in emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor Johns Hopkins Advantage MD (HMO), Johns Hopkins Advantage MD D-SNP (HMO D-SNP) or Johns Hopkins Advantage MD Tribute (HMO) will be responsible for the costs.

If a non-network provider sends you a bill

There may also be times when you get a bill from a provider for the full cost of medical care you received. If that happens, you should not pay the bill but should submit it to Johns Hopkins Advantage MD (HMO) for processing to determine if you have any liability. We will review that bill and decide whether the services should be covered. If we decide that they should be covered, we will pay the provider directly.

Emergency Care

A medical emergency is when you suddenly feel very sick or have severe pain. If you believe that your health is in serious danger, or you are concerned that you may have experienced serious damage to an organ or part of your body, seek medical care immediately by heading to the nearest hospital emergency room or by dialing 9-1-1 for an ambulance. Some examples of a medical emergency are:

- Major injury such as a broken leg or a large wound
- Heart attack symptoms: severe chest pain, shortness of breath, sweating, and nausea
- Heavy bleeding
- Bleeding during pregnancy
- Major burn
- Unconsciousness
- Difficulty breathing
- Poisoning
- Severe head pain or dizziness

If you have a non-life threatening emergency, and cannot contact your primary care physician (PCP), please go to your nearest Urgent Care Center or hospital.

With Johns Hopkins Advantage MD (HMO), Johns Hopkins Advantage MD D-SNP (HMO D-SNP) and Johns Hopkins Advantage MD Tribute (HMO), you will be responsible for the full cost of out-of-network care, except in emergency or urgent care situations.
